

CURRICULUM VITAE
STEPHAN JOSEPH LAPOINTE, DPM/PhD

HOME:

7 Crestmont Court
Rome, GA 30165 Marietta, GA 30066

OFFICE:

409 West Tenth Street
Rome, GA 30165

CELL PHONE

(678) 778-3104

WORK PHONE

(706) 232-3888

INTERNET:

stephanlapointe@outlook.com

Date of Birth: July 14, 1963

Place: Lac Megantic, Quebec, Canada

Citizenship: US

Marital Status: Married, Susan

Sex: Male

Family: daughters, Chantal (April 30, 1995), Renee (November 17, 1997)

WORK HISTORY:

Georgia Foot & Ankle Specialists, PC
Rome, GA
Podiatric Physician - 11/03 to present

Foot and Ankle Specialists
Calhoun, GA
Podiatric Physician - 5/03 to 10/03

Marietta Podiatry Group – 8/01 to 5/03
Marietta, GA
Podiatric Physician

Arden Clinical Research – 8/01 to 5/03
Marietta, GA
Research Director

Podiatry Institute – 08/99 to 10/01
Tucker, GA
Research Director

St Regis Mohawk Indians Health Service – 09/00 to 07/01
Hogansburg, NY
Podiatric Physician

Fletcher – Allen Health Care – 08/99 to 07/01
Burlington, VT
Podiatric Physician

Adirondack Family Foot Care – 08/99 to 07/01
Plattsburgh, NY
Podiatric Physician

Hahnemann University, Department of Orthopedics and Rehabilitation – 9/94 to 6/96

Stephan J. LaPointe, DPM, PhD

Philadelphia, PA
Computer Programmer.

Gran Central Inc – 02/94 to 6/96
Newburyport, MA
Computer Programmer / Consultant via remote location.

Drexel University – 9/90 to 6/94
Philadelphia, PA
Research Assistant

Jerome Croxton Photography – 6/90 to 9/93
Philadelphia, PA
Computer Consultant

SCI Manufacturing, Inc. – summer 1990
Manchester, NH
Manufacturing Engineer

SCI Manufacturing, Inc. – summer 1989
Manchester, NH
Manufacturing Engineer

dbx, Inc. – 5/87 to 9/88
Newton, Massachusetts
Manufacturing Engineer

Centronics Data Computer Corporation – 12/85 to 5/87
Hudson, NH
Advanced Manufacturing Engineer.

Centronics Data Computer Corporation – summer intern 1985
Hudson, NH
Manufacturing Engineer.

Stephan J. LaPointe, DPM, PhD

EDUCATION:

1981-85	BS	University of New Hampshire Durham, New Hampshire <i>Major: Mechanical Engineering</i>
1988-96	DPM	Temple University School of Podiatric Medicine Philadelphia, Pennsylvania
1990-96	PhD	Drexel University Philadelphia, Pennsylvania <i>Major: Biomedical Engineering</i>
1996-99	Residency	Podiatric Surgical Residency Emory Northlake Regional Medical Center Tucker, Georgia

LICENSURE:

Georgia	831 (10/20/1997)
Vermont	056-0000173 (7/19/1999)
New York	N005566 (7/8/1999)
New Hampshire	0288 (9/15/1999)

BOARD STATUS:

<i>American Board of Podiatric Surgery:</i>	Diplomate, Foot Surgery, 2005
	Diplomate, Reconstructive Rearfoot/ Ankle Surgery, 2006.

ACADEMIC APPOINTMENTS:

1999-2001	Assistant Clinical Professor University of Vermont College of Medicine Department of Orthopaedic Surgery
------------------	--

HOSPITAL APPOINTMENTS:

1999-2001	Fletcher - Allen Health Care, Burlington, Vermont
1999-2001	Champlain Valley Physicians' Hospital Plattsburgh, New York
2000-2001	Catholic Medical Center/Elliot Hospital Manchester, New Hampshire
2001-2003	Kennestone Hospital, Marietta, Georgia

2001-2008 Emory Northlake Regional Medical Center
Tucker, Georgia

2003-present Gordon Hospital, Calhoun, Georgia

2006-present Floyd Medical Center, Rome, Georgia

PROFESSIONAL SOCIETIES:

American Podiatric Medical Association
Georgia Podiatric Medical Association
American College of Foot and Ankle Surgeons
Podiatry Institute

SERVICE FOR PEER-REVIEWED JOURNALS:

Journal of Foot and Ankle Surgery Podiatric Surgery

AWARDS/HONORS:

1989-96 PI DELTA National Podiatry Honor Society
1989-96 Stirling-Harford Honorary Anatomical Society
1989 Garthe A. Wolfe Memorial Scholarship
1990 Student Recognition Award/Class of 1992
1996 Professor Louis M. Newman Surgery Award

AWARDS/HONORS:

1999 William J. Stickel Gold Award for 1999: The effect of hallux abducto valgus surgery on tibial sesamoid position. Journal of the American Podiatric Medical Association.

CLINICAL RESEARCH:

Sponsor: UCB Pharma
CRO: ICON Clinical Research
Title: A multi-center, double-blind, randomized, parallel group, two-period study to evaluate the efficacy and safety of oral doses of an extended-release combination of hydrocodone 15 mg and acetaminophen 1000 mg (Lortab XR) and placebo in the treatment of moderate to severe pain in subjects undergoing orthopedic surgery.

Sponsor Pharmacia

Stephan J. LaPointe, DPM, PhD

CRO: Covance
Title: Clinical protocol for a multi-center, double-blind, placebo controlled, randomized, parallel group study to compare the efficacy and tolerability of Valdecoxib versus Tramadol in treatment of acute ankle sprains.

Sponsor Pharmacia
CRO: Self-directed and authored the protocol.
Title: A crossover pilot study for the comparison of paper-and-pencil versus web-based computer data acquisition utilizing three quality of life questionnaires in the evaluation of plantar fasciitis.

RESEARCH FUNDING:

Principal Investigator 2000-2003
Agency: American Podiatric Medical Association
Title: Bunion Surgery: A Prospective Clinical Outcomes Study
Amount: \$43,651

Co-Principal Investigator 1999-2000
Agency: Sugr fame, University of Vermont, Biomedical Engineering
Title: Thermo-Mechanical Measurements of Bone Cutting—Implications for Thermal Necrosis
Amount: \$4,000

PUBLICATIONS:

Calcaneal Fracture Leading to Calcaneal Gait and Ulcer, Update 2014, Atlanta Georgia Non-union risk factors. *Update 2011*, Atlanta, Georgia

Non-unions. Textbook chapter, McGlamry's Comprehensive Textbook of Foot and Ankle Surgery. Pending publication in Fourth Edition.

The reliability of clinical and caliper-based calcaneal bisection measurements. Submitted to Journal of the American Podiatric Medical Association, March 2001. Vol. 91, No. 3 pp. 121-126.

Pigmented Villonodular Synovitis: literature review and three cases. Submitted to Journal of Foot and Ankle Surgery, June 2000.

The effect of hallux abducto valgus surgery on tibial sesamoid position. Journal of the American Podiatric Medical Association, November 1999. Vol. 89, 11/12 pp. 551-559. Winner of the William J. Stickel Gold Award for 1999.

The effect of damage to the lateral collateral ligaments on the three dimensional flexibility characteristics of the ankle complex. *Reconstructive Surgery of the Foot & Leg, Update 97*, Atlanta, Georgia; 1997.

Gout update. *Reconstructive Surgery of the Foot & Leg, Update 97*, Atlanta, Georgia; 1997.

Changes in the flexibility characteristics of the ankle complex due to damage to the lateral collateral ligaments: an *in-vitro* and *in-vivo* study. *Journal of Orthopedic Research*, Vol. 15, pp. 331-341, 1997.

The effects of damage to and surgical repair of the lateral ankle ligaments on the passive flexibility of the hindfoot. Ph.D. thesis, Drexel University, Philadelphia, Pennsylvania, 19104, copyright 1997.

A six degrees-of-freedom instrumented linkage for measuring the flexibility characteristics of the ankle joint complex. *Journal of Biomechanics*, Vol. 29, No.7, pp. 943-947, 1996.

ABSTRACTS:

1. An instrumented linkage to measure the level of support provided to the ankle joint by high top athletic footwear. *Proceedings of the Canadian Society of Biomechanics*; Calgary, Canada 1994.
2. A biomechanical analysis of the support and flexibility of military boots. *SAFE Symposium Proceedings* ; Reno, Nevada 1994.
3. An instrumented linkage for the measurement of the rotatory stability of the human ankle complex. *Proceedings of the International Society of Biomechanics*; Paris France 1993.

PRESENTATIONS:

Presentation - Invited Lecture
DVT prophylaxis
Utah Podiatric Medical Association, Park City, Utah 2018

Presentation - Invited Lecture
Pigmented Villodnodular Synovitis
Utah Podiatric Medical Association, Park City, Utah 2018

Presentation - Invited Lecture
Adverse Events of Oral Steroids
Utah Podiatric Medical Association, Park City, Utah 2018

Presentation - Invited Lecture
Amniotic Membranes for Ulcer Treatment

Utah Podiatric Medical Association, Park City, Utah 2018

Presentation – Invited Lecture

Update on Vitamin D

Utah Podiatric Medical Association, Park City, Utah 2018

Presentation – Invited Lecture

Calcaneal osteomyelitis – limb salvage

Rhode Island Podiatric Medical Association, Newport, Rhode Island, 2016

Presentation – Invited Lecture

Vitamin D deficiency

Rhode Island Podiatric Medical Association, Newport, Rhode Island, 2016

Presentation – Invited Lecture

Nonunion management

Rhode Island Podiatric Medical Association, Newport, Rhode Island, 2016

Presentation – Invited Lecture

What does not significant mean – Statistics for the Podiatrist

Rhode Island Podiatric Medical Association, Newport, Rhode Island, 2016

Presentation – Invited Lecture

Case report: Calcaneal osteomyelitis

Utah Podiatric Medical Association, Park City, Utah 2016

Presentation – Invited Lecture

Nonunions

Utah Podiatric Medical Association, Park City, Utah 2016

Presentation – Invited Lecture

Bone Marrow Edema

Utah Podiatric Medical Association, Park City, Utah 2016

Presentation – Invited Lecture

Lymphedema

Utah Podiatric Medical Association, Park City, Utah 2016

Presentation – Invited Lecture

Calcaneal fracture leading to calcaneal gait and ulcer

Utah Podiatric Medical Association, Park City, Utah, 2014

Presentation – Original Research

Thermal Necrosis of Bone

Utah Podiatric Medical Association, Park City, Utah, 2014

Presentation – Original Research

Tibial Sesamoid Position

Utah Podiatric Medical Association, Park City, Utah, 2014

Presentation – Original Research

Lateral Ankle Instability

Utah Podiatric Medical Association, Park City, Utah, 2014

Presentation – Invited Lecture

Tobacco and its effect on the Lower Extremity

Utah Podiatric Medical Association, Park City, Utah, 2014

Presentation – Invited Lecture

Lymphedema

American Podiatric Medical Association, Region 1, Danvers, Massachusetts, 2013

Presentation – Invited Lecture

Lateral ankle stabilization

American Podiatric Medical Association, Region 1, Danvers, Massachusetts, 2013

Presentation – Invited Lecture

Lymphedema

Pacific Coast Conference, Oregon Podiatric Medical Association, Portland, Oregon, 2013

Presentation – Invited Lecture

Nonunions

Pacific Coast Conference, Oregon Podiatric Medical Association, Portland, Oregon, 2013

Presentation – Invited Lecture

Vitamin D

Pacific Coast Conference, Oregon Podiatric Medical Association, Portland, Oregon, 2013

Presentation – Invited Lecture

Biostatistics

Pacific Coast Conference, Oregon Podiatric Medical Association, Portland, Oregon, 2013

Presentation – Invited Lecture

Lateral Ankle Instability

Valley of the Sun Podiatry Conference, Arizona Podiatric Medical Association, Phoenix, Utah, 2013

Presentation – Invited Lecture

Pigmented Villonodular Synovitis

Valley of the Sun Podiatry Conference, Arizona Podiatric Medical Association, Phoenix, Utah, 2013

Presentation – Invited Lecture

Sub-2 Syndrome

Valley of the Sun Podiatry Conference, Arizona Podiatric Medical Association, Phoenix, Utah, 2013

Presentation – Invited Lecture

Lymphedema Update

Valley of the Sun Podiatry Conference, Arizona Podiatric Medical Association, Phoenix, Utah, 2013

Presentation – Invited Lecture

Tobacco and the Lower Extremity

Valley of the Sun Podiatry Conference, Arizona Podiatric Medical Association, Phoenix, Utah, 2013

Presentation – Invited Lecture

Lymphedema

The 20th Annual Winter Conference, Utah Podiatric Medical Association, Park City, Utah, 2013

Presentation – Invited Lecture

Renal Osteodystrophy

The 20th Annual Winter Conference, Utah Podiatric Medical Association, Park City, Utah, 2013

Presentation – Invited Lecture

Subtwo Syndrome

The 20th Annual Winter Conference, Utah Podiatric Medical Association, Park City, Utah, 2013

Systematic Reviews

The 20th Annual Winter Conference, Utah Podiatric Medical Association, Park City, Utah, 2013

Presentation – Original Research

Tailor’s Bunionectomy – Surgical Constructs

The 19th Annual Winter Conference, Utah Podiatric Medical Association, Park City, Utah, 2012

Presentation – Invited Lecture

Skin Tensioning for Difficult Wound Closures

Stephan J. LaPointe, DPM/PhD

The 19th Annual Winter Conference, Utah Podiatric Medical Association, Park City, Utah, 2012

Presentation - Invited Lecture

Vitamin D Deficiency

The 19th Annual Winter Conference, Utah Podiatric Medical Association, Park City, Utah, 2012

Presentation - Invited Lecture

Statistics for Podiatrists

The 19th Annual Winter Conference, Utah Podiatric Medical Association, Park City, Utah, 2012

Presentation - Invited Lecture

Biostatistics 101

Update 2012, Podiatry Institute, Atlanta, Georgia, 2012

Presentation - Invited Lecture

Vitamin D Deficiency

Update 2012, Podiatry Institute, Atlanta, Georgia, 2012

Surgical Management of the Diabetic Foot

Mid-Atlantic Podiatric Conference, Falls Church, Virginia, 2006

Presentation – Invited Lecture

Sub-2 Syndrome

Mid-Atlantic Podiatric Conference, Falls Church, Virginia, 2006

Presentation – Original Research

Tibial Sesamoid Position Following Bunion Surgery

Mid-Atlantic Podiatric Conference, Falls Church, Virginia, 2006

Presentation - Original Research

Update 2003: HAV Study.

Update 2003, Podiatry Institute, Atlanta, Georgia, 2003.

Presentation - Original Research

Thermal Necrosis of Bone in First Metatarsal Osteotomies.

Update 2003, Podiatry Institute, Atlanta, Georgia, 2003.

Presentation - Invited Lecture

Surgical Biomechanics of the Diabetic Foot.

Annual Scientific Seminar - Georgia Podiatric Medical Society - 2003.

Presentation - Original Research

The Biomechanics of Lateral Ankle Ligament Injuries.

Annual Scientific Seminar - Georgia Podiatric Medical Society - 2003.

Presentation - Invited Lecture

Surgical Biomechanics of the Diabetic Foot.

Wellstar Medical System Diabetic Foot Symposium, Austell, Georgia, 2002.

Presentation - Original Research

HAV Study.

Update 2002, Podiatry Institute, Atlanta, Georgia, 2002.

Presentation - Invited Lecture

Traditional AO Ankle Fusion Techniques with Implanted Electrical Stimulation.

Modern Podiatric Medicine and Reconstructive Foot Surgery, Podiatry Institute, Park City, Utah, 2002.

Presentation - Invited Lecture

Smoking and the Lower Extremity.

Modern Podiatric Medicine and Reconstructive Foot Surgery, Podiatry Institute, Park City, Utah, 2002.

Presentation - Invited Lecture

Rebirth of the Lapidus.

Modern and Reconstructive Foot Surgery, Podiatry Institute, Park City, Utah, 2002.

Presentation - Invited Lecture

Analysis of Retro-calcaneal Pain: Special Studies for the Evaluation of Posterior Heel Pain and Achilles Tendonitis.

Modern and Reconstructive Foot Surgery, Podiatry Institute, Park City, Utah, 2002.

Presentation - Invited Lecture

Lesser Metatarsal Osteotomies for IPK and Metatarsalgia.

Modern and Reconstructive Foot Surgery, Podiatry Institute, Park City, Utah, 2002.

Presentation - Invited Lecture

Plantar MPJ capsulitis: "Pre-dislocation syndrome".

Modern and Reconstructive Foot Surgery, Podiatry Institute Park City, Utah, 2002.

Presentation - Original Research

Update on Hallux Abducto Valgus Study.

Advances in Reconstructive Foot Surgery Podiatry Institute 2003, San Diego, California, September 19-22, 25 CME.

Presentation - Original Research

Update on Hallux Abducto Valgus Study.

Advances in Reconstructive Foot Surgery Podiatry Institute 2003, San Diego, California.

Presentation - Invited Lecture

Subtalar Arthrodesis

Advances in Reconstructive Foot Surgery Podiatry Institute 2003, San Diego, California.

Presentation - Invited Lecture

Recognition and Management of the Malignant Melanoma in the Lower Extremity.

Advances in Reconstructive Foot Surgery Podiatry Institute 2003, San Diego, California.

Presentation - Invited Lecture

Pigmented Villonodular Synovitis.

Advances in Reconstructive Foot Surgery Podiatry Institute 2003, San Diego, California.

Presentation - Original Research

Update: Hallux Valgus Study.

Update 2001, Podiatry Institute, Atlanta, Georgia, 2001.

Presentation - Original Research

Thermal Necrosis in First Metatarsal Osteotomies.

Update 2001, Podiatry Institute, Atlanta, Georgia, 2001.

Presentation - Invited Lecture

Running Injuries.

Highlights of Modern Podiatric medicine and Surgery, Newport, Rhode Island, 2001.

Presentation - Invited Lecture

The Effects of Tobacco on Lower Extremity Wound Healing.

Stephan J. LaPointe, DPM/PhD

Highlights of Modern Podiatric medicine and Surgery, Newport, Rhode Island, 2001.

Presentation - Original Research

PI / HAV Database.

Highlights of Modern Podiatric medicine and Surgery, Newport, Rhode Island, 2001.

Presentation - Invited Lecture

Current Status of Lesser Metatarsal Surgery.

Complications of Reconstructive Forefoot Surgery, Podiatry Institute, Sanibel Island, Florida, 2000.

Presentation - Original Research

Status Update of the PI Hallux Valgus Study, Current Trends and Findings.

Complications of Reconstructive Forefoot Surgery, Podiatry Institute, Sanibel Island, Florida, 2000.

Presentation - Original Research

Hallux Abducto Valgus - a prospective clinical outcomes study.

Cambridge Health Alliance Monthly Podiatry Lecture Series, Cambridge, Massachusetts, 2000.

Presentation - Original Research

Hallux Abducto Valgus - a prospective clinical outcomes study.

Highlights of Modern Podiatric Medicine and Surgery, Newport, Rhode Island, 2000.

Presentation - Invited Lecture

Devices and Techniques for "Off Loading".

Highlights of Modern Podiatric Medicine and Surgery, Newport, Rhode Island, 2000.

Presentation - Invited Lecture

Digital arthrodesis with Allofix pins.

Highlights of Modern Podiatric Medicine and Surgery, Newport, Rhode Island, 2000.

Presentation - Invited Lecture

Biopsy techniques.

Highlights of Modern Podiatric Medicine and Surgery, Newport, Rhode Island, 2000.

Presentation - Original Research

Hallux Abducto Valgus - a prospective clinical outcomes study.

Update 2000, Podiatry Institute, Atlanta Georgia, 2000.

Presentation - Invited Lecture

Sub-two syndrome

Northeast Podiatric Foundation of the New York Podiatric Medical Association, Saratoga Springs, New York, 2000.

Presentation – Original Research

The effect of digital stabilization on plantar pressures.

Northeast Podiatric of the New York Podiatric Medical Association, Saratoga Springs, New York, 2000.

Presentation – Invited Lecture

Lesser metatarsal surgery techniques.

Northeast Podiatric Foundation of the New York Podiatric Medical Association, Saratoga Springs, New York, 2000.

Presentation – Invited Lecture

Absorbable fixation in podiatric surgery.

Northeast Podiatric Foundation of the New York Podiatric Medical Association, Saratoga Springs, New York, 2000.

Presentation – Original Research

Hallux abducto valgus – a prospective clinical outcomes study.

Northeast Podiatric Foundation of the New York Podiatric Medical Association, Saratoga Springs, New York, 2000.

Presentation – Invited Lecture

Tobacco and its effect on the lower extremity.

Northeast Podiatric Foundations of the New York Podiatric Medical Association, Saratoga Springs, New York, 2000.

Presentation – Original Research

The Podiatry Institute hallux abducto valgus database.

Modern Podiatric Medicine and Reconstructive Foot Surgery, Podiatry Institute, Park City, Utah, 1999.

Presentation – Original Research

Reliability and validity of calcaneal bisection.

Advances in Reconstructive Foot Surgery Podiatry Institute, San Diego, California, 1998.

Presentation – Invited Lecture

Pain management in the substance abuse patient.

Advances in Reconstructive Foot Surgery, Podiatry Institute, San Diego, California, 1998.

Presentation – Invited Lecture

Sub-two syndrome.

Advances in Reconstructive Foot Surgery, Podiatry Institute, San Diego, California, 1998.

Presentation – Invited Lecture

Tobacco and the lower extremity.

Advances in Reconstructive Foot Surgery, Podiatry Institute, Phoenix, Arizona, 1998.

Presentation – Invited Lecture

Restless leg syndrome.

Advances in Reconstructive Foot Surgery, Podiatry Institute, Phoenix, Arizona, 1998.

Presentation – Invited Lecture

Non-invasive vascular studies.

Advances in Reconstructive Foot Surgery, Podiatry Institute, Phoenix, Arizona, 1998.

Presentation – Invited Lecture

The effect of damage to the lateral collateral ligaments on the three dimensional flexibility characteristics of the ankle complex.

Reconstructive Surgery of the Foot & Leg, Update 97, Podiatry Institute, Atlanta, Georgia, 1997.

Presentation – Invited Lecture

Gout update.

Reconstructive Surgery of the Foot & Leg, Update 97, Podiatry Institute, Atlanta, Georgia, 1997.

Presentation – Original Research

The objective evaluation of the stability characteristics of lateral ankle ligament reconstructive procedures.

Podiatric Research Society, New Orleans, Louisiana, 1994.

Presentation – Original Research

The flexibility characteristics of the ligamentous deficient ankle joint complex.

Podiatric Research Society, New Orleans, Louisiana, 1994.

Presentation – Original Research

An instrumented linkage to measure the three-dimensional flexibility of the ankle joint complex.

Temple University School of Podiatric Medicine, Philadelphia, Pennsylvania, 1994.

Presentation – Original Research

An instrumented linkage to measure the three-dimensional flexibility of the ankle joint complex.

Medical Seminar, Hahnemann University Medical Center, Philadelphia, Pennsylvania, 1993.

Presentation – Original Research

Comparison of three-dimensional kinematics and flexibility characteristics of the human ankle joint complex in opposite limbs.

Medical Science Seminar, Drexel University, Philadelphia, Pennsylvania, 1991.

Presentation – Invited Lecture

Calculation of subtalar joint angles and resulting deformities.

Stephan J. LaPointe, DPM/PhD

Pathomechanics Course, Gait Study Seminar, Temple University School of Podiatric Medicine, Philadelphia, Pennsylvania, 1990.

COURSE INSTRUCTOR:

2015

Rearfoot & Ankle Reconstructive Surgery Cadaver Course, 4 Day Cadaver Surgery Course, Podiatry Institute, Atlanta, December 10-13.

2005

Rearfoot Cadaver Course, 4 Day Cadaver Surgery Course, Podiatry Institute, Atlanta, September 15-18.

2000

Advanced Cadaver Surgery Course: Ankle, rearfoot and advanced surgical techniques. Podiatry Institute, Tucker, Georgia, August 3-6.

4 Day Post Graduate Course: Forefoot and Rearfoot Surgical Techniques
Podiatry Institute, Tucker, Georgia, June 7-10.

CONTINUING MEDICAL EDUCATION/COURSEWORK:

2018

Cutting Edge Topics & Techniques in Foot & Ankle Surgery
Park City, Utah February 8-10, 2018, 7.25 CME.

2016

Current Trends in the Management of Foot, Ankle & Leg Disorders,
Newport, Rhode Island, April 28-May 1, 2016, 25 CME.

Cutting Edge Topics & Techniques in Foot & Ankle Surgery
Park City, Utah February 4-6, 2018, 16 CME.

2015

Advanced Foot & Ankle Arthroscopy Surgical Skills Course, American College of Foot and Ankle Surgeons, Orthopaedic Learning Center, Rosemont, Illinois, November 7-8, 2015.

Rearfoot & Ankle Reconstructive Surgery Cadaver Course, 4 Day Cadaver Surgery Course, Podiatry Institute, Atlanta, December 10-13.

2014

Utah Podiatric Medical Association, The 21st Annual Winter Conference, Park City, Utah
February 6-8, 2014, 15 CME.

2010

STAR Total Ankle Replacement Training Course, December 18, 0 CME

Reconstructive Surgery of the Foot and Ankle, Update 2010, Atlanta, Georgia April 8-11, 29 CME.

Current Trends in Foot & Ankle Surgery, Newport, Rhode Island, April 29 – May 2, 18.5 CME.

Insights and Controversies in Foot and Ankle Surgery, Park City, Utah, February 4-6, 20 CME.

2007

Reconstructive Surgery of the Foot & Ankle, Update 2007. Atlanta, Georgia, March 1-4, 25 CME.

2006

Reconstructive Surgery of the Foot & Ankle: Update 2006, Atlanta, Georgia March 30 – April 2, 25 CME.

Insights and Controversies in Foot and Ankle Surgery, Park City, Utah, February 2-4, 20 CME.

Mid-Atlantic Podiatric Conference, Falls Church, Virginia, October 20-22, 20 CME.

2005

Treatment of Congenital Clubfoot: Ponseti Technique, October 7-8, 8.25 CME

Rearfoot Cadaver Course, Podiatry Institute, Atlanta, September 15-18, 32 CME

2003

Update 2003, Podiatry Institute, Atlanta, Georgia, April 10-13, 25 CME.

Northeast Podiatric Medical Association, Scientific Meeting 2003, Albany, New York, March 14-16, 25 CME.

Fifth Annual Winter Scientific Seminar 2003, Georgia Podiatric Medical Association, Atlanta, Georgia, January 24-27, 25 CME.

2002

Update 2002, Podiatry Institute, Atlanta, Georgia, April 5-8, 25 CME.

Modern Podiatric Medicine and Reconstructive Foot Surgery Podiatry Institute Annual Ski Conference, Park City, Utah, March 14-16, 16 CME.

Stephan J. LaPointe, DPM/PhD

Reconstructive Surgery of the Foot & Leg, Update 2002, Podiatry Institute, San Diego, California, September 19-22, 25 CME.

2001

Measurement, Design and Analysis Methods for Health Outcomes Research, Harvard School of Public Health, Department of Biostatistics and the Center for Continuing Professional Education, June 12 - 14, 18 CME.

Update 2001, Podiatry Institute, Atlanta, Georgia, April 5-8, 25 CME.

Advances and innovations: the Latest Techniques in Reconstructive Foot Surgery, Podiatry Institute, Newport, Rhode Island, May 18-20, 20 CME.

Annual Spring Seminar, Northeast Podiatric Foundation, Inc., May 30 - April 1, 22 CME.

American Podiatric Medical Association 2001 Annual Scientific Meeting, Chicago, Illinois, August, 2001, 21 CME.

American College of Foot and Ankle Surgeons Annual Meeting and Scientific Seminar, New Orleans, Louisiana, February 7-11, 17 CME.

2000

Update 2000, Podiatry Institute, Atlanta, Georgia, April 6-9, 25 CME.

Complications of Reconstructive Forefoot Surgery, Podiatry Institute, Sanibel, Florida, November 2-5, 16 CME.

Highlights of Modern Podiatric Medicine and Surgery, Podiatry Institute, Newport, Rhode Island, April 28-30, 20 CME.

Surgery Grand Rounds, University of Vermont, Burlington, Vermont, 2 CME.

1999

Surgery Grand Rounds, University of Vermont, Burlington, Vermont, 1 CME.

Update '99

Podiatry Institute, Atlanta, Georgia, May 13-16, 25 CME.

Current Trends, Refinements and Complications in Podiatric Surgery, Podiatry Institute, Newport, Rhode Island, April 30-May 2, 20 CME.

Modern Podiatric Medicine and Reconstructive Foot Surgery, Podiatry Institute, Park City, Utah, February 4-6, 14 CME.

1998
